MEMORANDUM FOR : Acting Chief, Development Projects Division
SUBJECT : Operational Briefing 1 November 1960

1. General Cabell would like you to be prepared to brief Major General Fred Dean, Director of Operations, G-2, for no more than one hour at 1430, 1 November, in the Director's Conference Room, Administration Building on IDEALIST, [redacted] and, subject to confirmation by [redacted] possibly the operational side of CORONA. No briefing for OXCART should be given.

2. General Dean has already had the Agency familiarization briefing, so perhaps the format employed in briefing General Burchinal the other day would be sufficient. General Cabell added that you could plan to bring whomever you wished in addition to yourself to handle specific portions of the briefing. I am sending a copy of this memorandum to Mr. Bissell who will be out of town until the morning of 1 November, since you will recall he had asked that all briefings requested by General Cabell should be cleared through his office. In Mr. Bissell's absence today, I felt that a memorandum would be the best way to handle the situation.
